Practice workbook · Sleep disorders: insomnia and narcolepsy

Symptoms and explanations of insomnia and narcolepsy.

10 question parts: 1 worked-example retry and 9 further practice parts.
Name: _____ Class: _____ Date: _____

Practise one question type at a time. Attempt the part inside the red boundary; the rest of the question and any figures are kept for context. Write your working in the answer space.

The first question is a retry of the website worked example, without its solution. Check your answers online with 'Check my answer', or ask your teacher for the answer booklet.

1. Question 30 · part whole · 2 marks

2025 JUN · Paper 02

Worked-example retry · Attempt part whole only.

30 Dennis always feels tired. He visits his doctor to discuss his symptoms. Dennis tells the doctor that he goes to bed early and falls asleep quickly. However, he wakes up an hour later and cannot get back to sleep.

He struggles to concentrate at work as he is so tired and has started to make a number of errors. His doctor suggests that he may have a sleep disorder.

Explain, using **one** sleep disorder, why Dennis is constantly tired and making errors at work.
