Type MS · Crowds, deindividuation, pro-social and anti-social behaviour

Answer 1 of 4 · Question 24 part whole · 2 marks

2024 JUN · Paper 01 · find part whole in this mark scheme extract

Question number	Answer	Mark
24	**One** mark for accurate understanding of a factor affecting crowd behaviour. **One** mark for exemplification of how the factor affecting crowd behaviour could be used to explain the scenario. For example: • Crowd behaviour may be influenced by an authority figure, who can give orders for the crowd to be peaceful or aggressive (1). The crowd may see the organiser of the football protest as an authority figure, so have chosen to follow the order to protest about the club ownership peacefully as a group (1). Accept any other appropriate response.	**(2)**

Type MS · Crowds, deindividuation, pro-social and anti-social behaviour

Answer 2 of 4 · Question 20 part whole · 2 marks

2019 JUN · Paper 01 · extract 1 of 2 · find part whole in this mark scheme extract

Question number	Answer	Mark
20	Up to **two** marks for description. For example: • Pro-social behaviour is when an individual acts in a desirable manner in society whereas anti-social is not (1), because anti-social behaviour is when an individual goes against social values and expectations (1). Accept any other appropriate response.	**(2)**
