11 Simone has lived in a small village all her life. Her parents always know what she is doing as 'everyone seems to know everyone'.

A cinema has recently opened in the village. Simone and her friend, Paul, enjoy going to watch action films. Their parents are concerned that any violence in the films will affect their behaviour.

Simone's parents do not notice any changes in her behaviour. Paul, however, has recently been in trouble at college, for the first time.

Explain **two** ways that Charlton et al. (2000) could account for the behaviour of Simone and Paul.
