1. Question 24 · part whole · 2 marks

2025 JUN · Paper 02

Worked-example retry · Attempt part whole only.

24 A group of students were recruited for an experiment. They were instructed not to eat prior to arrival at a laboratory at 9:00 am. After arrival they were split into two groups:

- Group 1 remained in the laboratory before testing at 9:30 am.
- Group 2 were told to eat breakfast before testing at 10:00 am.

During the test, each group were briefly shown 20 images and asked to identify what they saw. Group 1 identified more food-related images than Group 2. No images of food were actually shown.

Explain **one** reason why Group 1 identified more food-related images than Group 2.

You must use influences on perceptual set to justify your answer.

26 Mylee is a police officer. She was walking down a street in her local town when she noticed a man running and perceived him as behaving suspiciously.

Mylee stopped and questioned the man, and when she searched his bag, she found stolen items.

Explain how motivation can account for Mylee perceiving the man as suspicious.

You must use a concept to justify your answer.
