Type MS · Stages of moral development

Answer 1 of 4 · Question 3 part whole · 2 marks

2023 JUN · Paper 01 · extract 1 of 2 · find part whole in this mark scheme extract

Question number	Answer	Mark
3	**One** mark for demonstrating accurate understanding of the conventional stage of morality. **One** mark for exemplification of how the conventional stage of morality can be used to explain the scenario. For example: • Individuals in the conventional stage of morality will want to maintain social order by obeying authority and see themselves as a good member of society (1), so if Javier's son is in this stage he will say that the women should not have stolen the food as people stealing food does not maintain social order in society (1). Accept any other appropriate response.	**(2)**

Type MS · Stages of moral development

Answer 2 of 4 · Question 2 part whole · 2 marks

2021 NOV · Paper 01 · extract 1 of 2 · find part whole in this mark scheme extract

Question number	Answer	Mark
2	Up to **two** marks for description. For example: • Pre-conventional morality focuses on basic rules of reward and punishment, where a bad action would get punished whereas conventional morality does not (1), because conventional morality is linked to following societal rules and being liked, with the maintenance of social order through obedience to authority (1). Accept any other appropriate response.	**(2)**

Answer 4 of 4 · Question 2 part whole · 2 marks

2025 JUN · Paper 01 · extract 1 of 2 · find part whole in this mark scheme extract

Question number	Answer	Mark
2	Up to **two** marks for description. For example: • The conventional stage of morality is where someone is focused on maintaining social order by following laws and obeying authority whereas post-conventional morality is not (1) because this is where the individual has their own ideas of what is right or wrong and can go against the laws set by society if these are not the same as their own ethical code (1). Accept any other appropriate response.	**(2)**
